

REMARKS

Applicants respectively request the cancellation of Claims 150- 187 without prejudice or disclaimer. Applicants respectively request entry of new Claims 188-246. No new matter is added by the amendments. Support for the amendments to the claims is found throughout the specification including the claims as originally filed.

The sequence disclosures in the Sequence Listing are fully supported by the specification as filed, and as such, do not introduce new matter.

In the above amendment, Applicants have requested entry of the Sequence Listing into the specification.

SUMMARY

New claims 188-246 are currently added to the application. Claims 1-149 were previously cancelled. Claims 150-187 are currently canceled without prejudice to later prosecution.

If in the opinion of the Examiner, a **telephone conference** would expedite the prosecution of the subject application, the Examiner is **strongly encouraged** to call the undersigned at the number indicated below.

This amendment is submitted with a transmittal letter. In the unlikely event that this document is separated from the transmittal letter or if fees are required, applicants petition the Commissioner to authorize charging our **Deposit Account 07-0630** for any fees required or credits due and any extensions of time necessary to maintain the pendency of this application.

Respectfully submitted,
GENENTECH, INC.
